

Manual for Gregory Hall Room 336

1. This room is equipped with the Solstice system which allows for wireless connection to the projector.
2. Turn on the display
3. Adjust the volume - This will adjust the volume for all the devices in use.
4. PC- Allows you to project from the in-house computer
5. Stream- Calls up the Solstice display (see image)
6. Blu-Ray- Displays the blu-ray dvd player
7. Laptop- Displays a laptop connected via VGA or HDMI

1. How to use Solstice:
 1. Connect your device to IllinoisNet or IllinoisNet_guest.
 2. Browse to <http://192.17.122.72>. Download the Solstice App if prompted.
 3. Connect using the 4-digit room code on the screen (i.e., 6320)
 4. Apple users can AirPlay to the number displayed on the screen (i.e. 336) after connecting via the Solstice app. Then enter the 4-digit room code.

Please, remember to shut down the system and press DISPLAY OFF when finished.
